

AMVETS Ladies Auxiliary Department of Michigan
LOCAL 3rd VICE PRESIDENT INSTRUCTIONS
2024 - 2025

#1 As the Third Vice President, it is your duty to act as an aide and assist the President of your Auxiliary whenever needed. You serve in the capacity of Community Service Chairperson.

#2 Community Service is any activity that benefits adults, or both children and adults, in the community. (If focus is children only, it is a 2nd VP Child Welfare project.)

#3 Learn the duties of the President and First Vice President in case you need to serve in their absence.

#4 Read all communications including the bulletins you receive from Department or National Officers. Also check the Department and National Auxiliary's websites often for updates. They contain information which can assist you with your program. Share the information with your members by including it in the reports you give at your meetings.

#5 Set up a notebook to record all community Service work done by your Auxiliary members. It is much easier to fill out a report if you have an accurate record.

- **Suggestion: when a program is complete, put it right on the service report form.**
- **If you do that each time, you will not have much work to do when it is time to file reports.**

#6 All your projects should have prior approval of the Auxiliary, be recorded in the minutes and be performed in the name of the AMVETS Ladies Auxiliary.

#7 One copy of your Mid-year Report is mailed or e-mailed to the Dept. 3rd Vice President, postmarked no later than November 5th of the current year. Always file a report even if you have “Nothing To Report At This Time”. One copy of your annual (final) report is be mailed or e-mailed to the Dept. 3rd Vice President postmarked no later than May 5th of the current year.

- **Your project reporting is included with all projects reported to your Department service officer and sent to the Department NEC**
- **The Department NEC sends the Department service officers reports to their National counterparts to be combined Nationally and reported by AMVETS to the US Congress to influence veterans legislative priorities.**

#8 Read the Donors Rules carefully and follow them to qualify for awards at the Department Convention. Donor Rules are sent to each local President in a Convention Bulletin during the month of March by the Department. Have them handy when filing your reports.

#9 Project sheets and Service Report Form are available on the Department website (amvetsauxdeptmi.org). You can also download them and complete them right from your computer.
