

## **Hospital Officer's Bulletin - August, 2024**

Hello everyone; I hope that this finds you blessed. All our veteran patients are eager to be visited and have their many needs serviced. Please contact your Volunteer Director to arrange visits, events and to drop off items that are needed.

As a reminder for Local Membership Officers: It is that time of year to start the collection of the Life Membership and Hospital donations which are \$3.00 annually. These need to be collected along with the annual dues from non-life members. The Donations are given in allotments to the VAVS/MVH Representatives and Deputies on a quarterly basis and at Fall SEC, they are given an extra allotment if funds are available. Please start collecting the Donations along with the annual dues and submit as soon as possible.

Also, VAVS/MVH Representatives: Remember to schedule your Joint Review as they are due in September.

Looking forward to seeing many of you at Fall conference and hopefully some new faces. Stay blessed and make a veteran smile.

Trisha Rosenberg  
Hospital Officer
