

## COMMUNITY SERVICE BULLETIN – October, 2024

Hello to all my Third Vice Presidents out there! I know you are all busy with your projects for Community Service. I want to remind you that we are having our **Department Official Visit to "Paws With a Cause" on October 17th at 1:00 p.m.** They will be having lunch for us so I need a head count of who will be coming by October 10th. **Our National Third Vice Debra Gass will be here for the tour.**

Remember any volunteer work or donations for the community can be reported. Your hours, mileage, new materials, used materials, and cash donations all go on your report. **THERE ARE NEW REPORT FORMS THAT MUST BE USED. Evaluations have been changed so make sure that you use the forms dated May 2024.** If you do not use these forms the report is not valid. The forms were given to each Auxiliary that was at the June Convention. If there was no one from your auxiliary at convention, the forms were mailed to your President. They are also available on the Department website.

The Mid-Year report is due Post Marked by November 5th 2024. Even if you have only one thing to report, please put that on the report form and send it to me. If you have not done anything yet, please put **NOTHING TO REPORT** on a form and send it to me! I am reaching out to you for 100% reporting for Community Service! I know you will help me with this goal.
