

# AMVETS NATIONAL LADIES AUXILIARY

# ★ MANUAL ★

This *Manual* is compiled as an aid to AMVETS Ladies Auxiliary members. It is intended to familiarize members with the materials and information used in their organization and to assist them in the work of AMVETS Ladies Auxiliary.

Never is anything in this *Manual* to take precedence over the Rules and Regulations by which AMVETS National Ladies Auxiliary conducts its business as set forth in the Constitution and Bylaws of AMVETS National Ladies Auxiliary.

# DEDICATION

This AMVETS National Ladies Auxiliary Manual is  
Dedicated to the FOUNDERS OF  
AMVETS National Ladies Auxiliary and to  
those thousands of fine women  
throughout the United States whose  
interest, loyalty, and long hours of service  
have built our organization.  
Their efforts are a challenge to us to continue to  
build and maintain AMVETS Ladies Auxiliary  
as one of the leading service organizations in our country.

# ★ SECTION 1: AMVETS Ladies Auxiliary

## **PREAMBLE**

We, the mothers, wives, widows, grandmothers, sisters, daughters, stepdaughters, and granddaughters of the American Veterans and female Veterans; fully realizing our responsibilities to the community, state, and nation, associate ourselves for the following purposes:

- To uphold and defend the Constitution of the United States of America.
- To safeguard the principles of freedom, liberty, and justice for all.
- To promote the cause of peace and good will among nations.
- To maintain inviolate the freedom of our country.
- To preserve the fundamentals of democracy and Americanism.
- To perpetuate the friendship and associations of the American Veteran.
- And to dedicate ourselves to the cause of mutual assistance...this by the grace of God.

## **AIMS AND PURPOSES**

The Aims and Purposes of AMVETS Ladies Auxiliary are as follows:

1. To serve our country in peace as in war, to build and maintain the welfare of the United States of America toward lasting prosperity and peace for all its inhabitants.
2. To encourage, in keeping with the policies of our Government, the establishment of a concrete plan to secure permanent international peace, and to assist in the maintenance of international peace.
3. To inspire in our membership a sense of responsibility and to develop leadership for the preservation of our American democratic way of life.
4. To help unify divergent groups in the overall interest of American democracy.
5. To train our youth to become purposeful citizens in a republic with full knowledge of the responsibilities as well as the privileges of citizenship.
6. To cooperate with duly recognized existing Veteran's organizations in the furtherance of the aims of the American Veteran.
7. To keep the public forever reminded that the American fought, served, and died to preserve peace, liberty, and democracy for their nation.
8. To aid in the fulfillment of the Aims and Purposes of AMVETS, our parent organization.
9. To promote the welfare and fellowship of our members and families.
10. To expedite and assist in the rehabilitation of the Veteran by sponsoring and giving support to educational opportunities, to recreational advantages, to hospitalization, and personal problems, and to support the Veterans in all legislation for Veterans' benefits.
11. To recognize that the organization known as AMVETS, and chartered by Congressional action on July 23, 1947, is the parent organization, and that all organizational divisions of the Auxiliary exist to promote the interest of the parent body: therefore, they cannot act independently except as it favors the objectives of AMVETS.

## **CODE OF ETHICS**

Because I am fortunate in being able to qualify for membership in AMVETS Ladies Auxiliary; and because I am proud of our affiliation with the parent organization AMVETS, I must always remember that it is my duty as a member –

1. To live up to the meaning of “Auxiliary” which is “to act in support of” or “to support.”
2. To realize that our organization is a subordinate of AMVETS and for that reason I must be careful not to interfere with AMVETS internal organization and politics; and I must never attempt to dominate that organization.
3. To conduct myself in a manner that shall never cast any unfavorable reflection on AMVETS or AMVETS Ladies Auxiliary.
4. To think and act constructively.
5. To accept my duties as a member, a committee member or Chairman, or an officer willingly, and to the best of my ability to do all in my power to promote the Aims and Purposes of our organization.
6. To be courteous at all times; to be considerate of others.
7. To show my interest in our organization by attending all meetings and be on time.
8. To accept the rule of the majority gracefully.
9. To assume leadership in right thinking and action.
10. To respect my officers, my fellow members, and the opinions they may have.
11. To be temperate in my speech, habits, and opinions.
12. To be extremely careful if I am honored by being elected to any office on any level, that the weight of my office is never used to unduly influence the affairs of our organization or of our parent organization, AMVETS.
13. To endeavor to follow all the purposes of AMVETS Ladies Auxiliary, as set forth in our Constitution, because by doing so, I am serving all mankind, regardless of race, creed, or color.
14. Finally, believing that the Golden Rule, “All things whatsoever ye would that men should do unto you, do ye even so unto them,” applies to us all, do my part to see that equal opportunity is given to each member to contribute to the good of AMVETS Ladies Auxiliary.

## **DEFINITION OF AMERICANISM**

“AMERICANISM” is the unflinching love of country; loyalty to its institutions and ideals; eagerness to defend it against all enemies; undivided allegiance to the Flag; and a desire to secure the blessings of liberty to ourselves and posterity.

## **BEGINNINGS OF OUR AUXILIARY**

In 1946, AMVETS National Commander, Mr. Jack Hardy, instructed AMVETS Liaison Officer, Mr. Bernhardt, to contact all AMVETS Auxiliaries in the United States for the purpose of organizing the National Department of AMVETS Auxiliary. Commander Hardy also established, at that time, an Auxiliary Liaison Committee within AMVETS. Serving on that committee were Mr. Bernhardt, Mr. Thad Males of California, and George Burke of Florida. In September of that year Mr. Bernhardt called this National AMVETS Auxiliary organizational meeting in Pittsburgh, Pennsylvania.

Representatives from thirteen states, all delegates and alternates attended this meeting and were made members of the Executive Committee. These pioneer members who were present at the pre-Convention meeting in Pittsburgh in 1946 set in motion the wheels of the organization.

**MOTTO**

“We waited together...now let’s work together”

—At the First National Convention, the Motto was submitted by Mrs. Maxine Darnell of Illinois and adopted.

**COLORS**

Green and Gold

**FLOWER**

White Clover

The AMVETS White Clover is symbolic of American Veterans and of Americans who served their country. Why was the White Clover selected for this purpose? Because it thrives in freedom throughout the world, AMVETS leaders chose it as a symbol with foresight and wisdom.

A symbol is a device for showing something that cannot as easily be shown another way; a means to indicate that one remembers and to cause others to remember. An artificial flower such as the White Clover can be worn with grace and beauty. A symbol, as a reminder that there are still those for whom war and conflict is not altogether a thing of the past, but rather very realistically a matter of today.

The White Clover is symbolic of the struggle all over the world for man’s freedom by those who served in World War II, Korea, and Vietnam and those who served in the Armed Forces of the United States thereafter. It also reminds us of the needless deaths caused by war and of those who are seriously disabled or still confined in hospitals by the injuries or illness they suffered. It reminds us that there are still widows and children in need of help because the man in their family was lost to them in the defense of freedom.

—Dolores Koller, Wisconsin

## **PUBLIC RELATIONS OFFICER**

### **(Public Relations-Historian: Scroll and Quill)**

Every media should be used to secure publicity for your group, the press, radio, television, and other public information sources. Acquaint yourself with the proper way to present news items to all media – pay the newspapers, radio, and television stations a visit, introduce yourself and ask them how they want news presented. Make use of club columns, community notices and the letters to the editors' columns in the newspapers. Many radio and television stations also carry similar programs where your group's activities can be announced and publicized – don't give up – keep sending and supplying news. Sooner or later, your releases will get used. Releases should be sent to all media after each meeting, special event, or activity and upon visitation of Department and National officers.

All Public Relations Officers (PRO's) are urged to send news items to the National Ladies Auxiliary Headquarters and to their Department publications. You are also responsible for sending to Department and National PRO's or Editor pictures, newspaper clippings, etc., published on behalf of your group. Keep your area and the different levels of our organization informed of what your Auxiliary has accomplished.

While publicity serves today, it also serves to record for posterity the history of your group. You should be provided with the means to construct a history book and a scrapbook. These books should contain all

newspaper clippings, pictures, programs, and any other record, which pertains to the activities of your Auxiliary. If you have a publication, copies of same should be kept as part of your record. Listed in the *AMVETS Ladies Auxiliary Manual* is a suggested outline for arrangement of topics in your History Book and Scrapbook. You may use your own initiative in preparing your books according to the desires of your Department or Local Auxiliary.

Public Relations Officer should:

- Be publicity minded; not for personal reasons but for the good of the AMVETS and AMVETS Ladies Auxiliary. How can the public be interested in the organization if it knows nothing about the Auxiliary and the fine work it does?
- Promote the activities of the Auxiliary that will rate space in the local newspaper, then see that the newspaper knows about it.
- Make use of the local Radio and Television stations.
- Visit your newspaper, radio and television offices and make personal contact. They will appreciate this.
- Take time to write out the story as you wish it to appear rather than phoning or orally giving stories to your publicity agencies. In writing your story be sure to “What, Where, Who, When and Why.” Do give names, address, and locations correctly. If the time element necessitates phoning a story in, write down the pertinent facts before phoning, so that you will omit nothing. Spell out names for the person taking down the story at the other end.
- Remember that newspaper, radio, and TV contacts have rules and regulations imposed on them which they must observe; and that their jobs may depend upon this observance. Don’t be disappointed if your story does not appear exactly as you have sent it in. There may have been reasons why the changes were necessary on the part of the publicity agency.
- Remember a paid ad in the newspaper, now and then, will not only let the public know you are alive, but will also make the Auxiliary a “customer” of the editor. He will treat the Auxiliary that way on news coverage.
- Make an effort to print or copy, perhaps in cooperation with the Post, an Auxiliary newsletter. Exchange copies of it with other Posts and Auxiliaries. Put them on your mailing list. Send the newsletter to State and National AMVETS Ladies Auxiliary Headquarters. Keep the public informed and aware of AMVETS Ladies Auxiliary.

- To be sure that all Bylaws are kept up to date and revised according to provision in the AMVETS Ladies Auxiliary Constitution.
- The ***Robert's Rules of Order, Newly Revised*** and other parliamentary references are available to assist the Parliamentarian in her duties.

## ★ SECTION 4: Programs

AMVETS Ladies Auxiliary is a service organization with many fine established programs, which offer something of interest to all members. A program cannot be successful without member participation. Acquaint new members with the programs outlined in this section – urge them to become involved. Review the many projects suggested under each program – adopt new projects to challenge the interest of the members.

## **MEMBERSHIP**

It is **IMPORTANT** – for without membership, Service Programs would not be possible. **MEMBERSHIP** equals **VOLUNTEERS** and **VOLUNTEERS** equal **SERVICE**. Thus, it is important that all levels of AMVETS Ladies Auxiliary conduct a vigorous membership program to secure new members and maintain their renewals. The Membership Chairman should encourage participation in membership contests on all levels, but most important membership begins and ends within the Local Auxiliary and must be concentrated at that level. The Local Chairman should acquaint herself with all Department and National Incentive Awards and urge their use and/or application for same when required. Suggestions to aid you membership program are listed below.

### **General Membership Information**

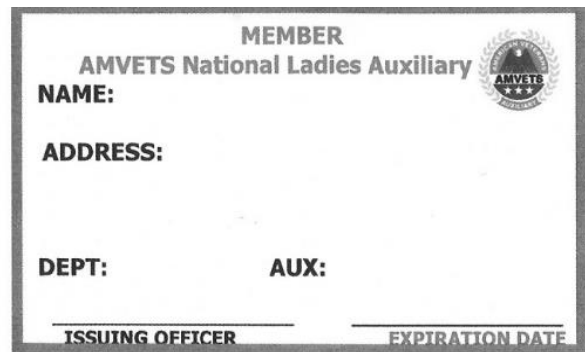

- A member cannot belong to more than one Auxiliary.
- Membership is on an annual basis, January 1 to December 31 and an Annual membership card is valid until December 31.
- Membership year shall run from January 1 to December 31. Any membership received at the local level after December 31<sup>st</sup> shall be counted as a new member and must reestablish eligibility.
- All dues (except Member-at-Large dues) shall be paid to the Local Auxiliary. The Local Auxiliary will then process the dues to the Department, which will then forward National's portion of the dues to National Headquarters.
- A member may transfer to any Auxiliary upon completing a Transfer Form issued by her Auxiliary. The Auxiliary that the member is transferring from, as well as the accepting Auxiliary, **must** sign the Transfer Form. Such transfers are subject to approval of the accepting Auxiliary, as outlined in their Local Bylaws.
- A person shall become a member of AMVETS Ladies Auxiliary upon written application, establishing her eligibility, and payment of dues on all levels as required by the Constitution, after the application is completed, it must be submitted to the local AMVET membership Chairman for verification.
- PRINT or TYPE Dues Remittance Forms. Dues should be remitted to Department/National as soon as they are received.
- Supply all information requested on the Dues Remittance Form -full name, address, zip code and ID number of the member whose dues are being processed.
- A member is classified as NEW if:
  - she is completing an Application for membership for the first time.
- A member is considered Rejoin if she rejoins within a three-year period after letting her membership lapse and must reestablish eligibility.
- When submitting Life Membership dues use a LIFE MEMBER FORM.
- Once a Life Member receives her Life Membership Card, she never pays dues, nor is she issued a preprinted membership card.
- 100% membership is when a Local Auxiliary has the same number of members as it had at the end of the previous year. This can be any combination of renewals, life, and new members.
- Report all deceased members immediately. The Local Membership Chairman should notify **Department** Headquarters immediately when she has been notified of a deceased member using the Deceased Member Form according to Department procedures. The Local Membership Chairman and Chaplain should work closely together on learning of a deceased member so that both officers can send notifications to their Department and National counterparts as outlined in their procedures.

- Department Secretary/Membership Chairman **MUST** use a **Transmittal Form** when sending monies/membership to National Headquarters. Departments that have developed their own cover letters/forms for itemizing monies being remitted to National Headquarters do not have to use the **Transmittal Form**.
- When a member changes her name and/or address or when there is; a correction to be made in a member's name or address, it can be noted on the National and Department portion of the Preprinted Membership Card. If the change takes place **after** the Preprinted Card has been mailed in, then use the **Change of Name and Address Form**.
- When a change of name and/or address needs to be made for a Life Member use the **Change of Name and Address Form**.

### **Suggestions for Increasing Membership**

- AMVETS can help the Auxiliaries in gaining new members; by giving the Auxiliary access to their membership roll in order that we may contact those persons eligible for membership as defined in the National Constitution.
- Be certain before you contact a person eligible for membership, that you thoroughly understand the Aims and Purposes of AMVETS and AMVETS Ladies Auxiliary.
- Before starting a membership drive, set aside a meeting or a generous portion of a meeting for the study and discussion of the Aims and Purposes of AMVETS and AMVETS Ladies Auxiliary.
- At the beginning of a membership drive set aside a meeting as guest night. Have each member responsible for bringing at least one (1) prospective member. Arrange an especially nice program and see that during the meeting that one (1) member, who is a convincing speaker, review the Aims and Purposes of the Auxiliary. It is also well to invite members of the community who are public spirited and whose support would be of great benefit to the Auxiliary, to attend these guest nights. Follow up the guest night with an invitation to prospective members to join the Auxiliary.
- Divide the members of the Auxiliary into teams in the membership drive. Have the teams compete with each other in securing new members. Set a specific date for the ending of the contest. Let the losing team treat the winning team and have the new members participate in the award as guests.
- Have an active reception or Hospitality Committee whose duty it shall be to see that at each meeting the members shall be greeted, and the new members are introduced to the entire membership.
- Offer a special award to the member who succeeds in securing the greatest number of new members during the year.
- At the end of each membership drive, set aside one (1) meeting for a New Member Induction Ceremony. The Induction Ceremony will give new members a better understanding of the purposes for our organization, and it will also instill in all of us a greater respect for AMVETS and AMVETS Ladies Auxiliary.
- Whenever you have an idea for aiding and increasing membership that you find through experience to be valuable, send the word on to the Department and National Chairmen so that you may help other Auxiliaries to increase their membership.
- Have older members contact the new members before meetings so that new members are accompanied to the first few meetings by some of the older members. This will make them feel you are genuinely interested in them as individuals and help to hold their interest and enthusiasm.
- Cooperate fully with your Department and National Membership Drives.

## **SERVICE PROGRAMS**

While Service Programs are the basis of our organization -the reporting of service work is the "life-line" which completes the Auxiliary's obligation to AMVETS. The reporting of hours, monies, material, mileage, etc., from the Local Auxiliaries to Districts to Departments to National demonstrates that AMVETS Ladies Auxiliary carries out its Aims and Purposes and helps to establish that it is a non-profit organization. Thus, reporting the Auxiliary's service work is **IMPORTANT...REMEMBER** always, that your program is not completed until it is properly reported. The Service Programs are Hospital, Americanism, Scholarship, Child Welfare and Community Service.

## **HOSPITAL**

The definition of "hospital" as used in the AMVETS Ladies Auxiliary Hospital program: A Hospital is defined as: any institution providing health care services to the physically and mentally ill; this includes nursing homes and convalescent homes (when medically staffed).

The Hospital Program of AMVETS Ladies Auxiliary is diversified in so far as it is carried on in all types of hospitals and nursing care facilities **BUT** unified in its objective to bring cheer and diversion to the hospitalized Veterans, their dependents, and the community it serves.

The bulk of volunteer service is given in Veterans Affairs Medical Centers across the country under the direction of our VAVS Representatives. To learn what your group can do to assist in the VA Medical Center Program, contact your Department Representative or Department Hospital Chairman. The needs of the hospitals vary, but there is something for all to do. While your members may not be available to serve actual time at the Center, there is a need for refreshments and other comfort items {i.e., books, magazines, games, etc.}, which can be made or collected at home. **REMEMBER** that any services to the VA Medical Center must be channeled through the VAVS Representative. Volunteers serving hours in the hospital work in many capacities -recreation, therapy, record keeping, wheelchair service, socializing, etc. The assignments are many – the volunteers too few. Urge your members to take the VA Medical Center Orientation Course. Your group may also sponsor specific events such as dances, picnics, games, parties, stage shows, outings, etc. - the

possibilities are unlimited. Often times, there is a need at the hospital for television sets, electric shavers, etc., which can be donated by your group.

Hospital programs are also carried out in nursing care facilities community, county, and state hospitals. Contact should be made with the institutions in your area to learn of their needs, which often parallel the needs of the VA Medical Centers. Interest your Junior AMVETS and other youths in volunteering their time to hospital service. The age requirement of youth volunteers varies from hospital to hospital, so check with the hospital.

Reward the service of your volunteers by presenting the AMVETS National Ladies Auxiliary Hospital Pin and Hour Bars as specified under Incentive Awards in the AMVETS Ladies Auxiliary Manual.

Let the community you serve know that members of AMVETS Ladies Auxiliary are responsible citizens by sponsoring and participating in projects that will strengthen the "Democratic Way of Life" and preserve freedom for mankind. National Headquarters has donation cards, which are used to make a donation in the name of a deceased person, or to remember them on other occasions, birthdays, anniversaries, job promotion, etc. Donations are sent to National Headquarters and an acknowledgment card is sent to the family of the deceased or to the person being remembered stating a donation has been made in their name.

AMVETS National Ladies Auxiliary offers scholarships to a member's son, daughter, or grandchild, and to members of AMVETS Ladies Auxiliary. All Local Auxiliary and Departments have the privilege of participating in the National Scholarship Fund.

Scholarship Chairmen are urged to support the Scholarship programs offered by National, Department and in their own Locals by their contributions and by encouraging students to enter for the available scholarships. If your Local does not have a Scholarship Program, you are encouraged to establish one.

Remember all work in promoting scholarships on any level is reported as a separate program under Scholarship.

Department and Local Scholarship Officers should:

- Explain to the membership what scholarships are available.
- Include in your scholarship presentation the scholarships of AMVETS, subordinate organizations of AMVETS and AMVETS Ladies Auxiliary, Department, and appropriate Local Auxiliaries.
- Send copies of the scholarship applications to the financial office of colleges in your area.
- Locate members who may be considering going back into the work force and tell them about Career Start Scholarship.
- Tell any member who is looking for a job or who needs to up-date her skills to get another position about our Career Start Scholarship.
- Find out if any member is planning to return to school at the undergraduate level and let her know that AMVETS Ladies Auxiliary has scholarships for members who are in undergraduate programs.
- Does a member have children or grandchildren in college at the undergraduate level? Tell them that AMVETS Scholarship for undergraduate studies is available to their children and grandchildren.
- Have a special scholarship cake for the February meeting. Each member who donates fifty cents (\$.50) to the National Scholarship fund gets a piece of this special cake. Somewhere in the cake could be hidden a marker, something that will not harm anyone. The member who gets the piece with the marker in it gets a prize. Members can collect fifty cents (\$.50) from their families, friends, and neighbors so that they can get several opportunities to win the prize. This is just a suggestion. No doubt you can think of many, many ways to make a few dollars for the Scholarship Fund and celebrate Scholarship month at the same time. Just a thought to keep in mind. If every member donated one (\$1.00) dollar towards the National Scholarship Fund what wonderful scholarship programs AMVETS Ladies Auxiliary could develop.
- Make your report or presentation special for February. You might want to wear a cap and gown, present diplomas or carnations or develop your own method of getting the members attention and giving them information that will be of interest to them.

- Have Sunday brunch and invite a high school or college counselor to be the guest speaker. The topic that you might ask the guest speaker to address is "Preparing for College".
- Special Fund raisers:
  - Walk-A-Thon
  - Bike-A-Thon
  - Rock-A-Thon
  - Silent Auction □ Progressive Raffle

### **FOCUS**

FOCUS programs are a series of programs conducted at the National Conventions. A variety of programs and/or seminars are offered at a time scheduled on the National Convention agenda.

### **WAYS AND MEANS**

Here are some suggested ways in which Auxiliaries have raised money for various charitable works and for the very important business of sending their full quota of voting delegates to every Convention.

If an Auxiliary has an original idea for making money, pass it on to the rest of the organization through a good write-up in your reports. New ideas are always needed and most welcome.

Some ideas, which have been very satisfactory throughout the country, are:

- |                                    |                                       |
|------------------------------------|---------------------------------------|
| • Bake Sales                       | • Plays or Programs                   |
| • Charity Balls                    | • Booths at Fairs or Celebrations     |
| • Ice Cream Socials                | • Parties                             |
| • Card Parties                     | • Hot Coffee/Donuts at Football Games |
| • Benefit Teas                     | • Raffles                             |
| • Auctions                         | • Chances on Door Prizes              |
| • Selling Christmas/Everyday Cards | • White Clovers                       |
| • AMVETS Pearls                    |                                       |

**NOTE:** All laws regarding fundraising **must** be carefully followed – Federal, State, County and Local. Also refer to the AMVETS regulations of Public Fund Raising (*see page 18 on Public Fundraising*). When signing contracts, check with the Post Judge Advocate. Make sure the Auxiliary has obtained the necessary licenses or permits. When selling White Clovers and standing outside of a store or supermarket, contact the management for permission. Make sure all safety rules are followed. If holding the event in a hotel or public facility, make sure their policies are followed. Be extremely careful when doing a sales promotion on a percentage basis – have the contract thoroughly reviewed by the Judge Advocate or legal counsel. If in doubt

about the reliability of a company or salesperson, check with the Better Business Bureau or Chamber of Commerce to determine if there have been any complaints against them.

Be extremely careful not to enter into anything that would cause discredit to AMVETS or AMVETS Ladies Auxiliary. Remember – a carefully planned publicity program in advance of a project is one way of insuring success.
