

1st Vice President's Bulletin - Membership

The bottom line for this bulletin concerns D&Rs. Nancy and I are working through them, and it has been quite difficult. I know Nancy has written numerous paragraphs on what is wrong and how to correct it.

I also know that letters have gone out stating that if anyone has any questions on how to do membership, they should hesitate to ask.

When doing your D&R please follow these:

Alphabetical order

Clear and precise spelling.

The correct label for what the person is.

It is vital for us to record membership without making so many simple mistakes. I appreciate all of the 1st Vices and seeing the new members' growth in Auxiliary. We just need to remember not only to recruit but also to retain.

Regards
